Cool Google Operators

(need to be next to the word and no space):

- / +
- ".."
- OR
- DEFINE:
- DATE (tools - Custom Date)

Remember to put site: and filetype: at the front as order is important
Think before the search of where you will find the relevant information

Fake News fact checking:

factcheck.org

snopes.com

hoax-slayer.com

CARS Model for Searching Safe:

- Credibility
- Accuracy
- Reasonableness
- Support
